Then head to the Suncor Energy Centre for the Western Lights Artists group's annual fall showcase, featuring the artwork of Jonn Einerssen, Darren Haley, Brent Heighton, Loretta Kyle, Richard S. McDiarmid and Vance Theoret.

The Western Lights Artists Group is a group of Canadian artists who have travelled the world, developing diverse styles on canvas and in sculptures that are identified as among the best in the Pacific northwest.

Their work has been exhibited in Japan, England, France and Australia, as well as the Americas. Their original works, along with hand-enhanced limited edition Giclee editions, are available at fine art galleries throughout North America.

Your chance to view and purchase original pieces runs from Nov. 3 to Nov. 7, from 9 a.m. to 6 p.m. daily at the Suncor Energy Centre, 1st level atrium, 111 - 5 Ave. S.W.

For more information, phone 403-703-5078, e-mail info@wlag.net and visit www.wlag.net
